Pinjarra Horse and Pony Club is located at the Murray Regional Equestrian Centre, Murray St, Coolup. We meet for rallies once a month where members have four lessons throughout the day with qualified instructors. These lessons include flat work, show jumping, theory and active riding (games training, cross country, trail riding, agility, etc).

We are a small club, more like a family, and have plenty of room for new members. No matter your age or riding ability, we have room for everyone. Our lessons cater for riders on lead line, through to advance riders and everyone in between.
