- No dogs allowed
- No other horses/riders allowed on grounds unless they have entered
- Please ensure all hay and manure is removed before you leave
- **All riders must sign a waiver at the club house before mounting their horse**

OPTIMUM TIME.

Optimum time is a method used to determine the winner of a Showjumping event without expecting the riders to ride too fast to win the class. The purpose is safety for less experienced riders and horses, which allows novice horses the time needed to be able to jump in a balanced form and to develop its technique before having to do it all at a faster pace. This theory applies to the development of riders as well.

Optimum time is a time calculated to give the time allowed window, to achieve the outcomes written above

AM7:

A competition not against the clock but if you have a clear round, you then go straight into the jump off without leaving the arena. Other rounds will be placed according to penalties.

Eliminations:

- Third (3rd) refusal incurs elimination in all grades After a refusal, if a competitor redoubles or changes his efforts without success, or if the horse is represented at the obstacle after stepping back and stops or steps back again, this is a second refusal; and so on.
- Fall of horse or rider. Starting before the signal is given and jumping the first obstacle.
- Taking more than 45 secs to jump the first obstacle after the time of the round has started. Jumping an obstacle in the wrong order.
- Jumping an obstacle in the wrong direction.
- Not going through the starter flags and jumping the first obstacle.
- Not crossing the finishing line between the flags mounted in the correct direction.
- Not stopping when the bell is rung during the round.

Helpers:

All entrants are required to provide a Helper for this event. Please provide the contact details of an adult who is able to write (pencil) or gear check or marshal for approximately two hours for the event. Limited self-help positions are available. Riders competing on more than one horse must contact the Event Organiser to see if it is viable for them to self-help. Helpers must report to the Information desk to sign in for their duty 15 minutes before their allotted time. It is the rider's responsibility to check the list of helper duties which will be available with the draw.

Helper refund will be returned to the card on the entry within a week after the show has completed

Draw:

The draw and Helper roster will be emailed to all competitors on Wednesday 15th May 2019 and will be posted on the MARG website, Global Entries and Cavalletti Classifieds. Amendments to the draw may be made no later than 48 hours before the start of the event. Organisers will attempt to contact competitors if a change affects them but final responsibility is on the competitor to check the draw on the day of competition. Whilst every attempt will be made to adhere to the start times in the draw, it is the rider's responsibility to be aware via the Marshall/ Gear Checker if an arena is running ahead of schedule. If this does occur you may be asked to ride up to 15 minutes earlier than the draw time. It is recommended that competitors report to the Marshall/Gear Checker for inspection 20 minutes prior to competing. Riders who do not complete a gear check will incur elimination.

Warm up Arena Etiquette:

As there are many horses warming up in a restricted area it is important that all riders have knowledge of the etiquette required in group riding. This ensures safe riding and achieves harmony in busy areas.

- Safety is paramount and a collision should be avoided at all times
- Before entering the warm-up area make sure the gateway and immediate track are clear
- Riders should pass left shoulder to left shoulder when on the track
- When not on the outside track, e.g. on a diagonal line, riders should give way to horses on their left
- The more progressive gait has priority on the track
- Halt should not be on the track
- Walk should not be on the track and does not have right of way
- Trot has priority over walk
- Canter has priority over trot
- Lateral work has priority over all paces
- When circling, anticipate your return to the track so as to not stop the flow of other riders
- Mounting, dismounting and gear adjustment should be done off the track
- Consideration should be given to behavior of other horses in the arena that may upset your horse
- It may be necessary if your horse is upsetting others to leave the area
- If a horse is upsetting the majority, an Official should be sought to request that horse's removal for safety reasons
- Horses are to be lunged in the designated lungeing arena.
- Lower level riders should not disturb the warm up of higher level riders.

First Aid

An ambulance and first aid officer will be present at this event. If you require an ambulance to transport you to hospital one will be called for you at your expense. The qualified ambulance officer on site will provide first aid to the injured person until another ambulance arrives to transport you to hospital if this is required. In the case of a rider fall, an incident report must be filled out and rider must be checked over by first aid. In the event of an injury where the injured person uses over \$55 of medical equipment (drugs, bandages etc.) the cost will be forwarded on to the injured person. Magenup ARC will not be liable for charges accrued for treatment of injured riders.

There will be NO vet on site.

Insurance

Your entry fee includes day insurance. This is a public liability insurance and not personal accident insurance. In the event you or your horse causes injury or damage to people or property at the event an excess will apply. You ride at your own risk and Magenup Adult Riders Group take no responsibility for personal injuries to the rider or horse.

All riders must sign a waiver at the club house before mounting their horse.

Liability

Magenup Adult Riders and its committee, judges, official, DO NOT accept liability for any accident, loss, damage, illness or injury to horses, owners, riders, spectators or any other person or property whatsoever. Entry to the grounds is at your own risk and the "Waiver of Liability" form must be signed by all entrants prior to participation: this is a condition of our insurance.

Refunds

Refunds will only be given if a vet or medical certificate is supplied. Refunds will be for entry fees less an administration cost of \$10.

Canteen

There will be food vans and drinks available onsite.

Yards

We have plenty of tie-up bays under cover, as well as yards. Horses may be kept in yards on floats but not tied to floats. All yards, bays and float areas must be clean of hay and manure before you leave.

Collection of tests

Tests will be available for collection from the club room as soon as the scores have been tallied.

Tests not collected will be emailed

This is a low key, stress free day. If you have any questions please send them to info@magenupadultriders.com or contact Cynthia Bailey on 0414783011.
