- Bottle
- Balloon
- Fishing
- Bending

We need your help to run gymkhanas!

These events don't just happen. People can help in show jumping as 'rail handlers', re-setting fallen rails, assisting at course change time and packing away all the equipment. In the dressage arena you can be a penciller (write down the judges comments) courier tests from the judges to the office for adding up and help put the arena away. Novelties have a large number of equipment changes, needs people to line judge and record results. **BHPC Inc members are required to nominate for a job on the day. If you can't do the job yourself ensure you bring a helper to fulfil your commitment!**
