# ***Zia Park Cross-Country Clinics*** ***26-28 January & 29-31 January 2013***

Bookings are now being taken for two Cross-Country Clinics with resident owner and instructor Gail Simms (NCAS Level 2 Coach and Coach Educator).

The clinics are suitable for riders and horses that are just starting out, as well as more experienced combinations.

Zia Park's cross country course is over easy terrain with a variety of obstacles, including banks, ditches and a water jump.

The clinics focus on safety and building confidence in horse and rider, and will include one daily 1.5hour lesson in groups of up to 6 riders, based on their horse's and their own experience.

A limited number of Zia Park School horses and ponies are available for riders without their own mounts.

Approved helmets, boots and body protectors are a requirement.

EA membership confers many benefits and includes Personal Accident Insurance and is recommended to all riders.
