Egypt Equine Aid

The WA Reining Horse Association have decided to run a Charity class where 100% of every entry fee received will go to our chosen fund, being 'Egypt Equine Aid'.

"Jill and Warren sold their home in Australia to assist in the setting up of Egypt Equine Aid.

Our name 'Egypt Equine Aid' - speaks for itself; we are here to help the Horses, Donkeys and Mules of Egypt. We have adopted the motto "Lest we forget" for the following reason. Some of the horses in Egypt are descendants of our very own War horses.

It is poignant that our mission started in 2014 being the 100th anniversary of the start of the first world war. Nearly 10,000 horses were left behind in Egypt after the war and those same outstanding qualities seen in our 'Walers' can still be seen in the horses living in Egypt today. We would ask that people not forget these animals still living and working in one of the harshest environments in the world.

The Mare and foal represent these descendants. The pyramids, the most enigmatic symbol of Egypt. The colours represent this land of sandy deserts.

We are currently raising funds to establish a permanent equine hospital that will train local vets as well as help the working animals of Cairo."

From Egypt Equine Aid Facebook page.

If possible, wear your gold or yellow colours to support this charity.

Thank you to our sponsors...
