Present

JOHN WICKS TRAINING CLINIC

11TH & 12TH May 2019

Start 8am

John has been training horses for over 20 years and also competes professionally and successfully in reining. He had won numerous State and National Derby Titles, numerous State and National Open Horse Titles and is a 5 time NRHA National Futurity Champion. He has trained in the United States and Europe with top overseas trainers. John easily adapts his training style for beginner riders to the more advanced riders and people from all disciplines would benefit from attending John's clinic. Whether you train with your horse or become a fence sitter you will go away with valuable information.
