

HOLLY FUNDRAISER ONLINE PHOTO SHOW

Lokenzo Park OTT Rehoming is a well known Standardbred and Thoroughbred racehorse rehoming program located in Perth, Western Australia. For many years now we have been successfully transitioning racehorses into new careers from carriage horses, dressage, showing, endurance and even western horses.

On the 8 May 2020 a little Thoroughbred mare named Holly who raced as Instant Hit took seriously ill. Holly had been enjoying letting down from racing at the beautiful Sylvania Farm and recently returned back to Lokenzo Park ready to start her transition. At the vet it was found Holly was in a bad way, bloods have shown a raging bacterial infection somewhere, likely in her intestine. Her bloods show her body is fighting the infection with the help of the antibiotics and care she is being given at Oakford Equine Hospital. She is in no way out of the woods, it's going to be a long road. If she gives up and stops fighting we will have to let her go with dignity but while she fights, so do we. It is for Holly that all funds raised from this online photo show will go towards for her treatment. She is a very sweet little mare and only 3 years old, she deserves a fighting chance!

Lokenzo Park and Holly would like to thank the amazing people who have come forward and donated do many amazing prizes to the winner of this photo show!
