AIMS OF ADULT RIDERS CLUB

1. To teach a sense of responsibility and discipline
2. To encourage members to make a commitment
3. To teach knowledge of horse care and horsemanship
4. To provide a high standard of instruction in riding skills so that each member can develop to their full potential in a variety of riding disciplines
5. To provide the opportunity to learn pride in presentation of horse and rider
6. To promote social interaction and provide a facility and atmosphere within the club to achieve the above
7. To ensure we have fun while learning

KELMSCOTT ADULT RIDERS CLUB **MISSION STATEMENT**

Our mission is to provide a safe environment for the facilitation of learning and improving the equitation skills of both members and their horses. We aim to provide a high standard of instruction in a variety of disciplines for a variety of riding levels.

We also aspire to build commitment and loyalty to the club through promoting social interaction within our group of supportive, happy and positive members in a fun, caring environment.

RIDING RULES

1. In order to organise instructors and groups, members are asked to give **7 days' notice** to the rally organiser if they are attending a rally or not. Failure to advise the organiser of their attendance may result in their place being filled by a waiting list member so that instructors' fees are met. Rally refunds or credits are only given with a Vet or Doctors Certificate.
2. Due to increasing insurance liability claims, all financial members are covered for Public Liability insurance by the club's insurance provided by Gow-Gates Ltd. As no personal accident insurance is provided under this cover it is recommended that all members join Equestrian Western Australia (EWA) or PCAWA as an open rider Category 1. EA is now offering "Adult Riders" membership, which is cheaper than Participant and Official, and still provides 24/7 accident cover. Find the online application forms here:
<http://www.wa.equestrian.org.au/sites/default/files/2016%20Memberships%20Form%201.pdf> or http://www.pcawa.com/open_riders. This is factual information and not specific to an individual. Please read all information and decide which insurance option is right for you.
3. The insurance brokers require that all persons on horseback wear a recognised safety helmet (New rules apply 1st July 2019). Failure to wear an approved helmet may result in insurance being rendered void in the event of an accident or injury, wherever it may occur. **Riders are not permitted on a horse at rallies without an EA approved helmet on their head.**
4. Please arrive at each rally by **8.15am** regardless of what time you are riding. Please check in at the clubroom to find your rostered helper job and classes for the day. Generally, if you are riding in the 10am session you will be rostered to set up the jumping or dressage arenas, (or another job as might be required). If you are riding in the 9am session, you'll be rostered to pack up at the end of the meeting (1pm). All members must be saddled up and ready to ride by the start of their session. **ALL riders are expected to remain on the grounds for the duration of the rally. Please arrange with the committee prior to the rally if you need to leave the grounds for any reason.**

5. Please pay your rally fees **by the Monday prior** to the rally. Failure to pay before the rally day could result in your place being given to a guest rider. No cash payments are allowed on the day.
6. Horses that kick should have a red ribbon in their tail, but all members should keep a proper distance from other horses in group lessons and when moving around the grounds.
7. Horse/ponies should only be tied to a float that is attached to a towing vehicle. Palomino Place grounds do not have any fixed yards, please bring your own float yards if your horse does not tie up to the float. Bring enough feed or hay for your horse throughout the rally. Water is available at the grounds.
8. Please clean up all manure and hay and take it with you at the end of the rally. **This is a council rule**, and we may lose the use of the grounds if we break it.
9. No dogs are allowed in the arenas at organised club meetings or events. If you wish to bring a stallion to a rally or event, please discuss this with the committee prior to the day.
10. The success of our club and the benefits obtained by all members will be assured by your willingness to help in any club activities.
11. Please keep the grounds tidy and place all rubbish in the bins provided.
12. The clubrooms are available for hire to club members on approval from the Palomino Management Association.
