## **OVERVIEW**

The Jump-Cross course will consist of approximately 20 obstacles located in the grassed show jumping arena and out on the cross-country course. The course commences with short course of show jumps before competitors continue the course over the cross country obstacles before re-entering the grassed arena to complete a further set of show jumps to complete the course. The whole course is ridden as one round from start to finish. You must present to the Judge prior to starting and after completing your round.

If 3 refusals are incurred at any one obstacle then competitors may continue to the next obstacle. We encourage all riders to try and complete the course, there are no eliminations for refusals on course.

There will be an optimum time for speed for each class, depending on distance and the judges allocated safest speed for the course. Faults will be allocated for time deviation from the optimum time, refusals and show jumping poles down. Watches and timing devices are not permitted, riders must rely on their judgement to ride the course at the optimum time. The length of the course and the judge's speed allocation will be provided once the course has been erected, measured and calculated. As a guide, the poles-30cms class will be a steady trot and the 80cms will be a forward going canter.

'The Joker' – After passing through the finish flags at the completion of the course there will be an option to attempt 'The Joker' fence which will be 10 - 15cms higher than the class height.

- Poles to 30cm Class – Joker fence 40cms
- 45 cm Class – Joker fence 60cms
- 65 cm Class – Joker fence 80cms
- 80 cm Class - Joker fence 90cms

Please present to the judge on completion to advise if you wish to remain on your current score or attempt 'The Joker' fence. If attempting the joker fence you will have 45 seconds to complete the jump from the time the judge rings the bell or the attempt will be deemed a fail.

The class winners will be those closest to the optimum time, with the least faults.

Fault Points:-

- Deviation from optimum time = 1 fault penalty per 5 seconds deviation
- Show Jump pole down = 20 fault penalty per jump
- Refusal at any Jump = 40 fault penalty per refusal
- Failed attempt at Joker (pole down or refusal) = 50 fault penalty
- Successful attempt at joker (clear) = minus 50 faults from total score

### **Examples of how the scoring works**

Clear round on optimum time and clear joker = - 50 faults (best possible score)

Clear round on optimum time and no joker = 0 faults

Clear round on optimum time and failed joker = 50 faults

2 poles (40), 2 refusals (80), 10 second time dev (2) = 122 faults

2 poles (40), 2 refusals (80), 10 second time dev (2) and clear joker (-50) = 72 faults

2 poles (40), 2 refusals (80), 10 second time dev (2) and failed joker (+50) = 172 faults

## **Rules**

If retiring on the cross country course, please walk horses back to the grounds following a designated track. Please report to the office if retiring and all riders suffering a fall must report to the St Johns Ambulance for a health check as soon as practicable. If you are seriously injured on course please stay where you are the First Aid Officers will be sent to assess and treat you immediately.

Gear checking is each riders individual responsibility, all gear must be safe and suitable for the purpose of the competition. Riders must be suitably attired and wear an approved helmet and body protector while during all rounds. Long sleeved shirts are recommended. Riders must bring their own competitor number bib (numbers will be provided at sign in) and horses must wear a either a bridle, saddlecloth or breastplate number.

Safety and wellbeing of riders and horses is paramount. No dangerous riding will be accepted, and harsh treatment of horses including the excessive use of whips may result in elimination from the competition at the judge's discretion.

Riders may complete up to 2 rounds per horse, if nominating for 2 rounds in the same class then the second round will be non-competitive. Riders may enter no more than 2 horses in this event.

## **Other Information**
