## **ABOUT THE JUDGE: KRISTIE MORRONE**

My introduction to horses began early in my teens with my family being involved in the breeding and racing of Standardbreds. As my passion grew, I soon became involved in helping my father train the race team before and after school. I obtained my trainer's license some years later and was very fortunate to quickly rise to the winner's circle with a very small team of one or two horses on a hobby basis where I managed to produce Group 1 winners and one of the best strike rates for a period of time.

My introduction into the show scene came about when our retired racing stallion, Admirals Christmas, became my first horse into the breed ring. This horse taught me the finer details of conditioning, preparing, and handling horses for the show ring and even though not being considered a 'fashionable' breed he provided me with some of the most memorable wins that will be with me forever. I have been very fortunate that the horses that initially came into the stable as racehorses were then transformed into successful off the track show horses. They have all achieved some incredible results, not only for their breed but in open company from State Championships to Royal Show status and beyond.

I also along the way have been involved in the showing of Arabian Derivatives, Welsh, Pinto's Appendix CBCHS and more recently, a Thoroughbred and Riding Pony. I am very proud to say that all of these horses have competed and won at top tier events.

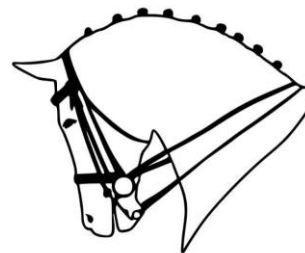

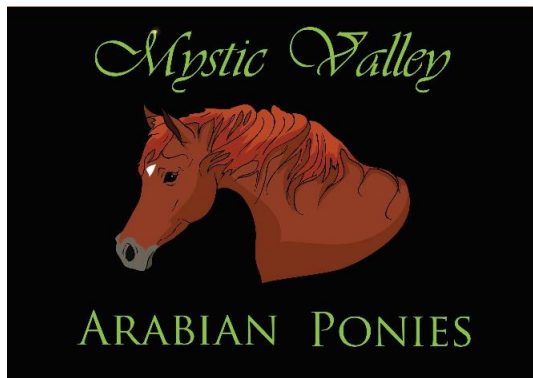

I thoroughly enjoy judging events and I previously judged at State level including the Dilute Championships, Miniature Feature Show & Friesian Warmblood State Championships along with regular Open Breed and Agricultural Shows.

Thank you for the opportunity to judge your event. I am looking forward to the occasion.
