NRHA OCEANIA WA STATE CHAMPIONSHIPS

IN MEMORY OF
IVAN TRESIDDER
AND
IAN SMITH

6TH AND 7TH NOVEMBER 2021

COLLIE WESTERN RIDING ASSOCIATION INC.

A Note From the President

Welcome to our first ever NRHA State Championship show to be held on the 6th and 7th November 2021. The show is named in honor of two of our club life members Ivan Tresidder and Ian Smith. Both men were long standing and committed members of our club and were valued for their considerable efforts over numerous years.

Ian Smith was a founding member and former club President who was also a dedicated and enthusiastic competitor over many years. He was ever ready with a helpful training tip or encouragement to all his fellow competitors and club members and was always willing to help anyone advance their horse.

Ivan Tresidder was the longest serving vice-president of our club, while also being an enthusiastic competitor and always ready to offer help and advice to people with horse problems. He worked tirelessly on our grounds and I think he attended every busy bee and fund-raiser we ever had. Ivan was always present at the entry gate and had a word of encouragement or reassurance for everyone on show day.

So, we would like to extend an invitation to all, to come and compete at the show and commemorate two of our clubs most valued members.

Looking forward to seeing you all there!

Heath Whiteaker

Collie Western Riding Association President

About the NRHA

Founded in 1966, the National Reining Horse Association (NRHA) is a non-profit organisation dedicated to the promotion of the reining horse in a fun-filled, family atmosphere. It serves as the standard setting body for the sport of reining worldwide

About the NRHA Oceania Region

The NRHA Oceania Council is made up of 8 affiliates of the NRHA through out the Oceania Region. Each Affiliate elects a member of their club to be a representative on the Oceania Council. This gives a unique opportunity for all clubs no matter how big or small to have a say on the future of reining within the Oceania Region. It gives the council a broad range of knowledge, opinions, experience and riding ability to make well inform decisions, ideas and goals for reining. Local affiliates are empowered to meet local needs. Creating classes and initiatives for their local community without compulsory external memberships. Creating a place for all.
