ARE YOU INTERESTED IN AN OFF THE TRACK HORSE?

IF SO, SUBMIT AN EXPRESSIONS OF INTEREST WITH THE OFF THE TRACK WA RETRAINING PROGRAM.

Thoroughbreds and standardbreds are both diverse breeds, with the ability to excel in a number of disciplines outside of racing. The Off the Track WA Retraining Program consists of a team of experienced re-trainers who provide retired racehorses with the necessary skills and experiences needed to transition from racing athlete, to their second career as a pleasure of performance horse.

ABOUT THE PROGRAM

- Both thoroughbreds and standardbreds are available through the program, with prospective buyers matched with the most appropriate horse based on their level of experience and requirements.
- Prospective owners are able to try a horse multiple times to ensure they are the perfect match, with only one person viewing a horse at a time.
- All horses purchased through the program are up to date with dental, farriery, vaccinations, and deworming, and are registered for an Off the Track WA Passport and with the Australasian Animal Registry.
- Owners of horses purchased through the program become part of the Off the Track WA community, with ongoing support and advice, as well as 3x lesson vouchers with an Equestrian Australia accredited coach and 3x free entries to Off the Track WA clinics and events.

HOW TO REGISTER YOUR INTEREST

1. Visit www.offthetrackwa.com.au
2. Click on 'Rehoming', followed by 'OTTWA Retraining Program'
3. Select 'EOI to buy OTTWA Horse'
4. Complete the Expression of Interest form
5. The Off the Track WA Team will be in touch as soon as we have a suitable horse

Those looking to purchase a horse through the program must submit an Expressions of Interest form. Our endeavour is to match the right horse with the right owner, which means if we already have a suitable expression of interest for a horse, it may not be advertised for sale.
