We wish to thank our generous Cattle Donor Shenfield Farm, Jo & Max Fry.

Important: Cattle Section information for competitors

The Cattle Section in general the course is similar to a campdraft course and will consist of two circles; one being on the right/left and the other on the left/right and a gate. The course can be ridden in whatever direction the judge chooses. Pegs should be used. A gate will be present. The time limit in the arena is 40 seconds.

It will be scored out of 100 and judged as follows:

- Cut out – 25 points
- First circle/peg – 25 points
- Second circle/peg – 25 points
- Third circle/gate – 25 points
- The run will be judged under the same format as the Australian Stockman's Challenge Association rules 2014.
- Each competitor in the cattle section gets a fresh beast, one in and one out.
- Once the competitor has guided the beast through the gate the run will be terminated immediately. If the competitor is unable to make the gate they must continue to demonstrate they are in control of the beast and attempt to complete a third circle. If a peg or gate is missed, the competitor must continue and not make a second attempt. The competitor is allowed 1 attempt at each peg/circle.

Australian Stock Horse

- In the camp, when the judges have determined that the competitor has lost control of the beast twice, the competitor's "cut out" section will be terminated and they will be scored '0' in this "cut out" section. The competitor will then be assisted out of the camp by the mounted steward and allowed to continue on course
