

Riverside Park Pony Club is now offering ADULT memberships for 2022 Come and join us.

Great news!!!!

Riverside Park Pony Club is welcoming new members for 2022, including ADULTS and KIDS, meaning that our club now caters for all ages.

Riverside Park Pony Club will be opening memberships to **BOTH KIDS AND ADULTS** for 2022!

We are looking for new members, both Adults and Kids, to ensure that our club can continue to operate in 2022. We offer something for everyone from the beginner to those wanting to represent the club at State Events, and for all ages. We are a family friendly, small, grassroots club that is welcoming and inclusive. Our club is all about making friendships, developing sportsmanship, improving your riding and horsemanship, encouraging everyone to have a go, and above all having fun.

For Adults, pony club offers the chance to attend rallies, work towards your proficiency certificates as well as compete in pony club competitions as an open rider. Our rallies have a minimum of two hours riding instruction in flatwork, jumping and games. We also try and introduce our members to different disciplines during the course of the year such as Polocrosse, Working Equitation, Western and others.

You are invited to join us at an unmounted open day in January where you can chat with our committee members, find out more information about membership of our club and what we have to offer you and your family, including ADULTS under the new Adult membership category.

If you are interested in joining and/or attending our open day, please send in your expression of interest by email, including your name, age, riding level/experience.

Open day

- Sunday 16th January
- 4pm
- RPPC Clubhouse, Palomino Place, Champion Lakes

We look forward to seeing you on the 16th January.

Palomino Reserve

Palomino Place,
Champion Lakes, WA,
6111, Western Australia
