Margaret's Choice

Memorial trophy for Margaret Curciarello

In honour of Margaret's work and dedication to the Horses at Brunswick Show, we, Margaret's family have decided to develop a trophy in Margaret's name... "Margaret's Choice"

Brunswick Show was always a highlight for Mum, even as Mum's health was declining, she was always focus on being on the oval for show day. Mum became a steward and committee member in 2009 and was awarded joint committee member of the year in 2020.

Whilst Mum was not a competitive rider, her passion, empathy and love of horses will always be something mum will be remembered for. Mum did not need to ride a horse to enjoy their company, it was always the simple things like being in their presence.

Margaret's Choice it is not about the best bred or best confirmation or the best presented, it is about the horsemanship and the relationship between us and our equine partner. As the name suggest we will be looking for the horse that mum would want to take home. It is about the horse that is ultimately a pleasure to be around.

How to be part of it? It will start with your entries... When you complete your entries on nominate you will be asked if you would like to take part in Margaret's choice. A follow-up email must be sent to bwbchristine@gmail.com before Monday the 17th October with a short piece about your horse/pony and your relationship with them, this can be written by yourself or a friend or family member. Throughout the morning, we will be looking for the relationship between horse and owner, a kind relationship with a bit of spark and personality. Lastly the nominated horse and owner (regardless of who is handling in the ring) must be on the oval at the time of the Supreme of Supreme. The nominated horses will be called in and the final decision will be made after SOS.

Please send your nominations to bwbchristine@gmail.com before Monday the 17th October.
