Helper Duty

The draw will be emailed to all competitors prior to the event. Organisers will attempt to contact competitors if a change affects them, but final responsibility is on the competitor to check the draw on the day of competition. Whilst every attempt will be made to adhere to the start times in the draw, it is the rider's responsibility to be aware via the Marshall/Gear checker if an arena is running ahead or behind schedule.

It is recommended that competitors report to the Marshall/Gear Checker for inspection 20 minutes prior to competing. Riders who do not complete a gear check will be eliminated.

All riders must have an EWA tagged approved helmet. No exceptions will be allowed.
