## Helper Duty Schedule

This year, a \$10 helper fee has been included in each competitor's entry. These funds may be used to assist with paying people to help fulfil essential duties throughout the show.

Competitors who are able to assist with helper duties are very welcome to do so, and may request a refund of the \$10 helper fee at the conclusion of the show. Your assistance is always greatly appreciated and helps ensure the show runs smoothly for everyone.

As they say, many hands make light work.
